KHS OGA NEWSLETTER NO. 3 – 2026/27

Dear Valued Member,

Neil Ghosh, the author of Do More Good: Inspiring Lessons from Extra Ordinary People wrote "*I am fascinated by the idea of **'paying it forward'** - of sharing knowledge and expertise with the next generation. In a way, you are giving it all away for free, but you have not lost anything, because you, too, were given the same gift by your mentors*", and that is exactly what we do as the current tail end links of the great chain that bind us through the spirit of our Alma mater sharing the learnings instilled in us by generations of inspirational mentors, rich tradition and great discipline.

This edition of our Newsletter as practice will share the news of our most exciting Fund Raiser, School and Community projects where we as the Association '***pay it forward'*** to our School and Hometown. As always, we hope this finds you well and in excellent health despite the stubborn Colombo monsoons.

Fundraiser 2026

Our Annual Fundraiser, **"A Serenade of Splendour,"** unfolded on Saturday 10th October, at the Hilton Colombo Residences. The event was attended by our members and their guests, and was further graced by the presence of the Principal and several members of the Committee of the Kandy OGA Parent Branch.
It was truly a fun-filled and exciting evening, beautifully woven together with amazing music, scrumptious food, energetic dancing, and an abundance of prizes and surprises.

Below are some captures from the event.

School Project 2026

The School Project for the year 2026 was providing a new set of Costumes comprising of Band Attire and Jewelry for 35 members of the school Hewisi Band enabling them to finally discard the old set of costumes which was reused for around 15 years. The Principal, staff and the students were immensely grateful for this donation as this cost was beyond the school's capacity for many years.

Community Project

The Renovation, Painting, Paving and donating Equipment for the "Sarana Sevana" Elders Home at Mawilmada, Kandy was carried out as the Community Project for this year. This facility is a home that provides free of charge assistance for Elders who are neglected by their families and are financially not able to take care of themselves. The Washing Machine, Cupboards along with the other renovations carried out was accepted with much gratitude by the management and residents of the home.
